

# THE 3DP PAN EU PLATFORM

Generating industry-led projects to test and validate 3DP solutions.

The 3DP PAN EU matchmaking platform, supply and demand of 3D Printing services is brought together.

Find the right partners to take the next step in your 3D Printing projects by heading over to our Search tool!

## COVID-19

When stocks run out and you have difficulties buying parts or components from your regular suppliers, 3D printing may bring you the solution.

## FACILITY CENTRE

The logo for 'aidro' features the word 'aidro' in a bold, red, lowercase sans-serif font. Below it, the text 'hydraulics & 3D printing' is written in a smaller, black, lowercase sans-serif font.
